I'm walking in the twilight
on the never ending roads
I'm trapped within a dream
of that I am aware
Â´cause this can't be real

there has to be an entrance
a door from where I came
but every step I take
and every little move
change the natural laws

I'm flying I'm falling
what's wrong with my mind
chaotic disorder
am I dead or alive

I see the strangest of things

this cimmerian dream
is twisting my soul
nothing is what it seems
I am losing control
oh, sandman
you madmad
what a bitter good night kiss
you fooled me
you trapped me
and I could not resist

what is it that I hear
repeating in my ears
first I hear it loud
then it's far away
it echoes everywhere

I'm flying I'm falling
what's wrong with my mind
chaotic disorder
am I dead or alive

I see the strangest of things

this cimmerician dream
is twisting my soul
nothing is what it seems
I am losing control
