broken images I see
visions kind of talking to me in this dream
what I see I can not really comprehend
I watch my self with something hidden in my hand

I see a river made of tears. I see the essence of my fear
as I am lost within my
- dream
someone's calling
- me
as I am falling

sleepwalker
nightstalker
I'm lost - deliver me from here
sleepwalker
nightstalker
I'm lost - lost forever more

scattered remnants of the last humanity
a cry for help that echoes through infinity

I see a sleeping man but he's not aware
'cause I'm standing here and I'm lost within my -
- dream
someone's calling

- me
as I am falling

sleepwalker
nightstalker
I'm lost - deliver me from here
sleepwalker
nightstalker
I'm lost - lost forever more

here I'm walking while the visions comes alive
I am trapped within insanity of time
I have never felt this horrifying fear before
and never ever have I cried in such despair

I see a river made of tears. I see the essence of my
fear
as I am lost within my
- dream
someone's calling
- me
as I am falling

sleepwalker
nightstalker
I'm lost - deliver me from here
sleepwalker
nightstalker
I'm lost - lost forever more
