i like it, i want it  
the way you make my body move  
i think i'm addicted, i'm high off everything you do  
i'm going to call you, baby don't you worry 'bout a thing  
'cause you're all i need

i'll become a slave to my habit  
feeding for your love, gotta have it now

Chorus  
you're all i need, your love's a drug  
can't get enough, your love's a drug  
and i can't sleep, can't get enough  
your love's a drug, your love's a drug  
your love's a drug

baby i'm feeling that rushing through my veins again  
whenever your leaving i feel withdrawl kicking in  
i'm going to tell you how i feel, how i couldn't breathe  
when you're not with me

i'll become a slave to my habit  
feeding for your love, gotta have it now

chorus

bridge  
'cause i miss you when you're gone  
so right but feels so wrong  
and i need to have you all the time

chorus(x2)
