Another feeling,
Another feeling,
I was waiting there for you,
All the times when,
I realized all the things she put me through,
Another night,
Another fight,
It don't seem right,
I was driving on my way home,
I know the feeling,
It won't be leaving,
Any fucking time soon

I don't want this anymore,
Is the first thing she said now,
As she walked outside my door

I don't want this anymore,
Is the first thing she said now,
As she walked outside my door

Another feeling,
Another feeling,
I was down on Saturday night,
All the times when,
I realized the things just weren't right,
Another night,
Another fight,

It don't seem right,
I was driving on my way home,
I know the feeling,
It won't be leaving,
Any fucking time soon

I don't want this anymore,
Is the first thing she said now,
As she walked outside my door

I don't want this anymore,
Is the first thing she said now,
As she walked outside my door

I don't want this anymore,
Is the first thing she said now,
As she walked outside my door

I don't want this anymore,
Is the first thing she said now,
As she walked outside my door
