[Mya & Left Eye]

Mya, oh Mya

Mya

Mya will you please come out the bathroom (Oh)

Just put the brush down and walk away

Just say no! Will you come on

[Mya & Left Eye]

It's going down

I can feel it

All around and I need it (yeah)

It's taking me where I love to be

(Uh-huh where I love to be)

So come on

Pack it in fill the room now (Uh)

Throw it up for the crew now

I close my eyes and touch the sky

[Mya & Left Eye]

See I don't mind

If people wanna look at me crazy (crazy)

It don't even phase me (phase me)

The feeling is making me high yeah

[Chorus]

Don't wanna stop

My body needs it

Knocking me right off of my feet

Making me so high

I can't deny

The feeling's taking me over

Over over over

[Mya & Left Eye]

Fellas where ya game at

For the ladies that you aim at

Take a shot show her what you got

(Show her what'cha got)

So come on what'cha say

You better move it (uh-huh)

What'cha know

You better use it (yeah)  
Make a play before it slips away

I can't wait  
The second that I finish my business  
Can I get a witness (Amen!)  
There's no better feeling than this

[Chorus]

[Left Eye]  
Now somebody has some explaining to do  
Now why is it the club manager keeps sweatin' me  
Just cause I drove with a gang of about 23  
Pack beyond capacity we all getting in free  
It's straight to VIP nothing but hands grabbing on me  
I'm a star so I start my tab at the bar  
It's one of the benefits when everybody knows who you  
are  
Like my car, valets salivate like it's a cookie jar  
Just keep it up front fellas, don't take it too far  
It's been since October, the last time I was sober  
Music's like a drug when it starts taking me over  
I see Mya ain't fighting it she's on the dance floor  
But it's all good cause we splittin' the cash from the  
door  
Well fourteen bottles of Don P later  
It's just me, Mya, the DJ, and the waiter  
I go outside for my ride and ended up now or later  
I ain't gonna cry, swallow my pride  
Hey you, valet, playa, wait up

[Chorus 2xs]

[Left Eye]  
Okay people the party's over  
Just return to your simple lives and forget
