The less I stare, didn't know that she'd be there
I guess I'm tempting fate again
She likes rock and roll
Doesn't take it slow
She's only living for the day
She thinks the sky could fall at anytime
And I can't change her mind tonight

She's a runaway girl
And I can't keep up with her
She's alright for tonight
But I can't keep up with her
She's too fast for me

She caught my stare
And she took over from there
And I'm tongue-tie so I just smile
She doesn't realize

What she could see in my eyes
But thats alright because she's into me
She's not looking for mister right
She just wants to have fun tonight
But I cant change her mind tonight

She's a runaway girl
And I can't keep up with her
She's alright for tonight
But I can't keep up with her
She's too fast for me
She's too fast for me

She's a runaway girl
And I can't keep up with her
She's alright for tonight
She's alright for tonight
She's too fast for...
