Oh, me  
You know, I never meant for this to happen  
But if it's wrong, I just feel so right

You give me attention  
You're someone who understands my needs  
All rare but sensitive  
Everything I miss at home

You know how to hold me  
And feel all the things, I want to feel  
Inside of each tender kiss  
I get everything I miss at home

I was just out on the town in search of some fun  
I was looking for love  
Then you came along and shared with me  
All the things I miss at home

You give me attention  
You're someone who understands my needs  
All rare but sensitive

Everything, I miss at home

You know how to hold me  
And feel all the things, I want to feel  
Inside of each tender kiss  
I get everything, I miss at home

Oh, yes, I do love someone  
But I can't pretend to be the happy one  
You're taken for granted, I was lonely  
But you were there for me

You give me attention  
You're someone who understands my needs  
All rare but sensitive  
Everything, I miss at home

You know how to hold me  
And feel all the things, I want to feel

Inside of each tender kiss  
I get everything, I miss at home

Things I miss at home  
Things I miss at home  
Things I miss at home
