You are my favorite lady
And you are my favorite man, yes, you are
(I know)
So it feels good to know
That you feel the same

And forever and a day
Together we will be
Nothing on this Earth could ever
Take you away from me

'Cause I've been kissed but I
(Never knew love like this)
And I've been missed but I
(Never knew love like this)

Loved someone before but I
(Never knew love like this)
I've had lots of lovin' but I
Never knew love like this

You're something special
And you know you're something special too
I love you and that's all I need to hear
(I love you too)
To make my day

'Cause you're always on my mind
No matter what I do
Nothing on this Earth could ever
Keep me away from you

I've been kissed but I
(Never knew love like this)
And I've been missed but I
(Never knew love like this)

Loved someone before but I
(Never knew love like this)
I've had lots of lovin' but I
(Never knew love like this)

Oh, I've been kissed
(Never knew love like this)
And I've been missed but I
(Never knew love like this)

Loved someone before but I
(Never knew love like this)
No, I never, never, never, never

(Never knew love like this)

When I'm asleep at night
(When I'm asleep at night)
In my dream I hold you tight
(Ooh I hold you tight)
I never had a better love
(Better love)
Never love like this

Oh I've never been loved or been kissed, baby, yeah
(Never knew love like this)
And I've been missed, girl
(Never knew love like this)

Never been loved, loved someone before
(Never knew love like this)
I never knew, I never knew
(Never knew love like this)

I've been kissed, baby
(Never knew love like this)
And I've sure been missed, let's sing it together
(Never knew love like this)

I've been kissed, I've been missed
Never knew love like this
I never knew love like this
I never knew love like this, yeah, uh uh
(Never knew love like this)

I never knew love like this
I never knew love like this
I never knew love like this

Cherrelle, let me tell you how I feel
I never knew, baby
(Never)
Tell me how you feel, baby
I never knew love like this, girl
(Never)

I've been around the world
(Never)
But I never knew love,
Never knew love like this, girl

Never knew love like this
Never knew love like this
Never knew love like this
