You look good to me, you look good to me

Oh, I found him 'bout a week ago  
My friends were going out, they said, you rarely go  
That's how I got him to really knock me dead  
Looked him in the eyes and quickly said

You look good to me  
When you walk I just lose all my control  
You look good to me  
And when you talk I just want to kiss your big mouth,  
baby

I want you to know you look good to me  
So I [Incomprehensible] you, baby, uh, baby, uh, baby  
Never ever been a forward girl, I just speak my mind  
Being honest never felt so good or looked so fine

Lookin' good isn't everything  
And personality won't make emotion a thing  
The combination is what love's about  
I'm not in love but I have no doubt

You look good to me  
When you walk I just lose all my control  
You look good to me  
And when you talk I just wanna kiss your big mouth,  
baby

Wait a minute, hey girls, yeah  
Are there any good lookin' men out there? Yeah  
Hello men, ooh, ooh, ooh, ooh

Ha, well if you think you're fine then try to sing along  
with my mind

Na na na, na na na, na na, na na na, na na na, na na  
Na, na, na, na na, na, na, na, na, na na  
Na, na, na, na, na, na  
You sound as good as you look

You look good to me, you look good to me

You look good to me, you look good to me  
You look good to me, you look good to me  
You look good to me  
Somebody wanna dance with me?

Never been a forward girl, I just speak my mind  
Being honest never felt so good or looked so fine

Oh, oh, oh, oh, uh, uh  
Oh, oh, oh, oh, sing it  
Na, na na, na, na na  
Na na, na na na, na na, na na na  
Na na, na na

Ha ha, that was good, now repeat after me  
You look good to me, you look good to me  
You look good to me, you look good to me  
You look good to me, you look good to me  
You look good to me, you look good to me

You look good to me, you look good to me  
You look good to me, you look good to me  
You look good to me, you look good to me  
You look good to me, you look good to me  
You look good to me
