Shoot the kids at school,
All in a bloody pool,
I'll show the teachers too,
'Cuz they can't tell me what to do,

* getting C's and D's
Saying thanks and please
Yer broke the golden rules,
Yer staying after school,

Life is real estate,
To the ones I hate,
Cops say you just refrain,
From squattin', drinkin', and hoppin' trains

Drink but don't drink this,
It aint beer it's piss,
Rock the 40oz.,
It's the change that counts,
When we get there on the train,
We'll get some booze and start again,

Living in the past, Goin' nowhere fast,
Jesus has a place for me,
A life of sin and infamy,

Droppin' out of school,
Teacher is a fool,
So yer run away,
Livin' day to day,

Doin' whatcha gotta do,
And what makes you happy too,

* Fallin' prey to drugs,
Sportin' body bugs,
Rock the 40oz.
It's the change that counts,

Just don't get locked up in jail,
'Cuz no ones gonna have the bail,

Takin' time to break the laws,
& then I'll lick my dirty paws,
Dodging all the lies I'm fed,
I'll live my life and then I'm dead
