Power abuse; Authority misuse
They kill and rape
And it wont be on the news
But youre the good one
With the badge and a gun
Braggin how you blasted
Gunshot forty-one
Policia
Line up on the wall
Policia
Caged animals
Policia
Kill and lie some more
Policia
Conspiracy to cage the poor
One dead cop
No more donut shop
More dead cops
Might make the hurting stop
Kill cops [7x]
Policia
Line up on the wall
Policia
Caged animals
Policia
Kill and lie some more
Policia
Conspiracy to cage the poor
One dead cop
No more donut shop
More dead cops
Might make the hurting stop
Kill cops [7x]
I never took such pleasure in a death
A hatred born of freedoms dying breath
The police kill and then they lie some more
In a conspiracy to cage the poor
