Shoot the kids at school  
all in a bloody pool  
i'll show the teachers too  
'cuz they can't tell me what to do

getting C's and D's  
saying thanks and please  
ya broke the golden rule  
yer staying after school

land is real estate  
to the ones I hate  
the cops say you just refrain  
from squattin', drinkin', and hoppin' trains

drink but don't drink this  
it aint beer it's piss  
rock the fourty ounce  
it's the change that counts  
when we get there on the train  
we'll get some booze and start again

i'm living in the past  
i'm goin' nowhere fast  
jesus has a place for me  
a life of sin and infamy

droppin out of school  
teacher is a fool  
so ya run away  
livin day to day

doin whatcha gotta do  
and what makes you happy too

fallin prey to drugs  
sportin' body bugs  
rock the fourty ounce  
it's the change that counts

just don't get locked up in jail  
cuz no ones gonna have the bail

taking time to break the laws  
& then i'll lick my dirty paws  
dodging all the lies i'm fed  
i'll live my life and then i'm dead
