shoot the kids at school
all in a bloody pool
i'll show the teachers too
'cuz they can't tell me what to do

* getting C's and D's
saying thanks and please
ya broke the golden rule
yer staying after school

land is real estate
to the ones I hate
the cops say you just refrain
from squattin', drinkin', and hoppin' trains

drink but don't drink this
it aint beer it's piss
rock the fourty ounce
it's the change that counts
when we get there on the train
we'll get some booze and start again

i'm living in the past /i'm goin' nowhere fast

jesus has a place for me
a life of sin and infamy

droppin out of school
teacher is a fool
so ya run away
livin day to day

doin whatcha gotta do
and what makes you happy too

* fallin prey to drugs
sportin' body bugs
rock the fourty ounce
it's the change that counts

just don't get locked up in jail
cuz no ones gonna have the bail

taking time to break the laws
& then i'll lick my dirty paws
dodging all the lies i'm fed
i'll live my life and then i'm dead
