White & blue & bloody red
stars and stripes for the mis-lead
convenience stores with neon lights
where burger kings rule tainted nights

* stop the insanity let's end humanity
kill all earth's residents let's start with the presidents

this sick atrophic stolen land
means nothing more than modern man's
greed & hate & racism
and what we have is a fucked up system

* let's stop the insanity let's end humanity
mediocre generic let's start with america

let's kill the cops, the C.I.A
the F.B.I , the P.T.A
the N.F.L, the P.M.R.C
let's kill you and let's kill me

let's stop the insanity let's end humanity
mediocre generic let's start with america
