Chorus:

Blow wind blow blow away these troubled times
Blow wind blow blow away these troubled times
Take away your sorrow bring me back some peace of
mind

Mama's gone away, join my Daddy up above
Mama's gone away, join my Daddy up above
Wouldn't have me nobody, if it wasn't for my own true
love

So Blow wind blow blow away these troubled times
Blow wind blow blow away these troubled times
Take away your sorrow bring me back some peace of
mind

Solo

Money's hard to come by but there's always bills to pay
Money's hard to come by but there's always bills to pay
But I know the time is coming there's gonna be a
brighter day

So Blow wind blow blow away these troubled times
Blow wind blow blow away these troubled times
Take away your sorrow bring me back some peace of
mind

Solo

Outside the rain is falling and the sun has lost the sky
Outside the rain is falling and the sun has lost the sky
Well I feel so dog gone lonesome and I can't tell you
the reason why

So Blow wind blow blow away these troubled times
Blow wind blow blow away these troubled times
Take away your sorrow bring me back some peace of
mind

Solo

Say the darkest night happens just before the dawn
Say the darkest night happens just before the dawn
I been waiting for the daylight to make these troubles
move along

So Blow wind blow blow away these troubled times
Blow wind blow blow away these troubled times
Take away your sorrow bring me back some peace of
mind
