I don't trust you anymore  
Don't shoot me that old lie don't tell me that you're still  
mine  
You're saying things like you said before but I don't  
trust you anymore  
I gave you benefit of doubt but your love didn't prove  
out  
We've tried so many times before now I don't trust you  
anymore  
I love you and I always will and I can't help the way I  
feel  
I trusted you till I learned the score now I don't trust you  
anymore

We agreed when last we tried we'd be better satisfied  
Between our love they closed the door cause I don't  
trust you anymore  
Now here you are back once more with your foot back  
in the door  
I guess you'll win like you have before but I don't trust  
you anymore  
I've loved you and I always will...  
Now I don't trust you anymore
