I love you I'll prove it in days to come
I swear it's true darling you're the only one
I think of you of the past and all our fun
I love you I'll prove it in days to come
You're my darling you've been true
I should have been good to you
You're the one that's in my heart while we're apart
I'll be true I'll prove it to you some day
I love you in my heart you'll always stay
I've been so blue and lonesome all these days
I love you I'll prove it a thousand ways

[fiddle instrumental]

I'll be nice and sweet to you and no more will you be
blue
I'll prove I love you every day all kinds of ways
So darling please wait please wait until I'm free
There'll be a change a great change made in me
I'll be true there'll never be blue days
I love you I'll prove it a thousand ways
