I just stopped off for a quick one at the tavern just a
drink well maybe I had two
But I swore as I sit down at her table then darling I was
coming home to you
Can't I help it if she was going my way and we talked
about old times we used to know
But I'm sure we had the green light at the corner
Anyone who saw the wreck will tell you so
I was only goin' to drop her off at her place
And then darling I was coming home to you
[ac.guitar]
When you came you saw her lying there beside me
But believe me dear that old romance is through
And even though you saw her arms around me darling
I was coming home to you
Oh yes darling I was coming home to you
