If you're ever lonely darling think of all that I've been  
through  
Long and lonesome nights sweetheart I've waited on  
you  
Say in your mind you have it coming and you know you  
have to pay  
Maybe baby you will learn and change someday  
Why oh why did you try to deceive me  
You've made me blue sweetheart both night and day  
Say in your mind you have it coming and you know you  
have to pay  
Maybe baby you will learn and change someday  
[ fiddle - piano ]  
Why oh why did you...
