Once I thought I loved just you and I thought you loved  
me too  
But just look what thoughts will do for today you say  
we're through  
Now another wears the crown and you think that you  
have found  
Just what makes your world go round watch those  
thoughts they'll get you down  
[ steel ]  
If within your future years your new love should bring  
you tears  
Then you'll think of me I'm sure but those thoughts  
won't help you dear  
Thought I'd build a home for two just a home for me  
and you  
Thought we'd have some kiddies too but just look what  
thoughts will do  
[ piano ]  
Now I know just how you feel that your love was never  
real  
Guess to you I don't appeal so we'll just forget the deal  
So goodbye and here's to you and I'm happy through  
and through  
Yes you thought that I'd be blue but just look what  
thoughts will do
