Stop me  
If you think you've heard this one before  
Over and over  
Doesn't get any worse than this  
I'll take  
One last  
Long look  
And one kiss  
Before you do me in again

I don't want to be the one at your feet  
Waiting to be beat  
Like all of the rest of them  
Like all of the rest of them

Stop me  
If you think you've seen this one before  
Over and over  
Doesn't get worse than this  
I'll take  
One last  
Long look  
And one kiss  
Before you do me in again

I don't want to be the one at your feet  
Waiting to be beat  
Like all of the rest of them  
Like all of the rest of them

I don't want to be the one at your feet  
Waiting to be beat  
Like  
All the rest  
All the rest

Stop me  
If you know you've told this one before  
Over and over

I don't want to be the one at your feet  
Waiting to be beat

Like all of the rest of them  
Like all of the rest of them

I don't want to be the one at your feet  
Waiting to be beat  
Like all of the rest of them  
Like all of the rest of them  
Like all of the rest  
All of the rest of them  
Like all of the rest of them  
Like all of the rest  
All of the rest of them
