I had a dream last night I thought my good gal had
gone
Well I woke up this morning she really had done me
wrong
I know it's not fair but my good gal has done caught
there
I'm goin' away leavin' today I'm gonna bring my baby
back
If that eight wheel driver don't jump the railroad track
I take her from that man gonna bring her home if I can
[dobro]
My gal's been triflin' round about a week I know
Several of my friends just told me so and so
She's findin' new man and now I can't understand
So I'm goin' away...
[piano]
Well it's true my baby's gone I know it won't be long
We'll both be on that train my baby's coming home
again
She's been triflin' round but now she has turned him
down
Yeah I'm goin' away...
