I just stopped off for a quick one at the tavern  
Just a drink, well, maybe I had two  
But I swore as I sit down at her table  
That darling, I was coming home to you

Can't I help it, if she was going my way?  
And we talked about old times we used to know  
But I'm sure we had the green light at the corner  
Anyone who saw the wreck will tell you so  
I was only going to drop her off at her place  
And then darling, I was coming home to you

When you came, you saw her lying there beside me  
But believe me, dear, that old romance is through  
And even though you saw her arms around me  
Darling, I was coming home to you  
Oh yes, darling, I was coming home to you
