I can't get no money for my pockets  
I can't get into the swing of things  
Someone keeps my picture in her locket  
And she patches up the hole in my dreams

Lucky arms, I got the world in my arms  
I ain't got no money but I got honey  
Keep all your cash and spend it  
I'll still be independent  
'Cause I've got the world in my arms

Hey, mister rainy skies, dry your eyes  
So you can see my special girl  
My arms are full of country, country sunshine  
And we're hurrying to the top of the world

Oh, lucky arms I got the world in my arms  
I ain't got no money but I got honey  
Keep all your cash and spend it  
I'll still be independent  
'Cause I've got the world in my arms
