"Why Should I Be Lonely"

Oh the moon lights so bright makes me lonely tonight
Everything seems to make me feel blue here
I'm down hearted now I'm lonesome somehow cause
you are proving untrue
Why sould I be so lonely why should I be so sad
Though another is taking from me the best pal that I've
ever had
She's taking the sunshine with her leaving the clouds
for me
But why should I be so lonesome when there's nobody
lonesome for me
[fiddle]
Oh the violets so blue are calling for roses so sweet
make me lonely

They bring to my mind a sweet happy time when your
love was only for me
But why should I be so lonely...
