I Want 2 B Wid u Always

I lose my blues, hunny, wen Im with u  
Noone else can do wot u do, ur in my heart 2 stay  
when Im gone, and Im all alone  
I'll b singing this song for u, I want to b with u always

I'd b happy, deariest, if u could only b here  
And always be nearer, forever and a day  
Then we'd travel far, we'd be some big, shinin' star  
Just you and my guitar, and stay there, sweetheart, for  
always  
i just wona love u baby  
u mean so much 2 me, u dont no how i feel,  
im krazy in my lil world

I hope you feel the same, you really want my name  
Well, you'll be the one who's to blame, if it works out  
wrong that day  
'cause my love is true, my love is only for you  
I'll never be blue, if I can be with you always
