(Lefty Frizzell)

If you're ever lonely darling think of all that I've been
through
Long and lonesome nights sweetheart I've waited on
you
Say in your mind you have it coming and you know you
have to pay
Maybe baby you will learn and change someday.

Why, oh why, did you try to deceive me
You've made me blue sweetheart both night and day
Say in your mind you have it coming and you know you
have to pay
Maybe baby you will learn and change someday.

--- Instrumental ---

Why, oh why, did you try to deceive me
You've made me blue sweetheart both night and day
Say in your mind you have it coming and you know you
have to pay
Maybe baby you will learn and change someday...
