(Lefty Frizzell - Abe Mulkey)

Hmm, hmm, hmm, hmm.

I made a big mistake when I introduced her to my  
friend  
And gave him a chance to dance with her  
As I watched them in the crowd I could hear my heart  
beat loud  
'Cause she said goodbye to me when she said hello to  
him.

Hmm, hmm, hmm, hmm.

She just held on to his hand, when it was break time for  
the band  
And it was plain to see that I'd lost out  
So I slipped away to cry felt so low I could die  
'Cause it meant goodbye to me when she said hello to  
him.

Hmm, hmm, hmm, hmm.

Is there anywhere to go where a broken heart won't  
show  
Everyone must know what's wrong with me  
They can tell 'bout my ways I go round lost in the days  
'Cause she said goodbye to me when she said hello to  
him.

Hmm, hmm, hmm, hmm...
