(Jimmie Rodgers)

She left me this morning midnight was turning day
She left me this morning midnight's turning day
I didn't have no blues untill my good gal went away.

I got the blues like midnight moon shining bright as
day
I got the blues like midnight moon shining bright as
day
I wish a tornado would blow my blues away.

--- Instrumental ---

One of these mornings I'm sure gonna leave this town
(it's killin' me honey)
One of these mornings I'm sure gonna leave your town
'Cause you triflin' women really keep a good man
down.

--- Instrumental ---

A woman will follow you right to the jailhouse door
A woman will follow you right to the jailhouse door
Then she'll laugh and tell you you can't fuss and fight
no more.

I got the blues like midnight moon shining bright as
day
I got the blues like midnight moon shining bright as
day
I wish a tornado would blow my blues away...
