I am the dreamer and I will make my own path  
I found a way to prove to you that I'm more than you  
think. You will  
Never break me  
You're dead weight. You're broke inside. You will never  
break me. What  
Point can you make?  
We are the silent ones  
I wait around for the world to change me, if and when  
the time is  
Right, we are the silent ones.

What will it take to make you see? I will never lose sight  
of my dreams  
This is my life, I'm not going to change, because you  
think you know  
What's best for me. I will never give up.  
Watch me prove to you I can't be beat.  
We are the silent ones.
