I'm always looked over, I'm fighting the fight.  
Without me in your corner you won't see the end of this.  
There is a light at the end of the tunnel.  
Who will be there to defend what you love?  
I am the last of the dying breed of people who give a  
fuck.  
Try your best to find someone who hasn't let it go to  
their heads.  
I owe you nothing  
Wrapped up and forced to leave what you love.  
There is a bigger meaning you're in or you're not  
I know who I am, and what I have to do.  
I'm always looked over, I'm fighting the fight.  
Without me in your corner you won't see the end of this.  
There is a light at the end of the tunnel.
