(Lefty Frizzell - Sanger D. Shafer)

I've been throwin' horseshoes
Over my left shoulder
I've spent most all my life
Searching for that four leaf clover.

Yet you run with me
Chasing my rainbows
Honey, I love you too
That's the way love goes.

That's the way love goes
Babe, that's the music God made
For all the world to sing
It never gets old it grows.

Losing makes me sorry
You say honey, now don't you worry
Honey I love you too
That's the way love goes.

--- Instrumental ---

That's the way love goes
Babe, that's the music God made
For all the world to sing
It never gets old it grows.

Losing makes me sorry
You say honey, now don't you worry
Honey I love you too
That's the way love goes...
