Broken by what's right you fail yourself this time.
You've always
Fought for what's right. You make this your time to
shine. You're
Leaving everything you wanted to your fate.

When your back is turned to the ones you love, you
have the choice to
Change what's really wrong in your life. (What's really
wrong)

So why does it feel like I'm forgotten? just another
mistake, another
Promise broken, just another regret. So why does it feel
like I'm
Forgotten?

No matter what you do, I'll always be there for you.

No matter what you do, I'm always standing around.
