Verse #1:

(Dam)
Iâ'm sitting here thinking
How Iâ'm gonna get you back (back)
As a matter of fact
I remember me and you taking walks in the park (park)
It didnâ't even matter
Weâ'll walk till dark (park)
Now that youâ're gone, I lost a part of my heart (heart)
Thinking to myself, I miss my baby
Stuck in my head, driving me crazy
(Oooh)
I swear I want you hear with me (with me)
Whyâ'd you have to leave (leave)
And thatâ's why I tell them

Chorus #1:

If you ever loved someone (one)
Never take them for granted (never take them for granted)
If you ever loved someone (one)
Never take them for granted (never take them for granted)

Well I will always love that someone (one)
And, she was my high school sweetheart
Well I will always love that someone (one)
And, she was my high school sweetheart

Verse #2:

Well I will never (well I will never)
Love someone the way I loved you
Girl and you know thatâ's true
I look to my right and your not there
I look to my left and your not there
And I know you know, Youâ're supposed to be here
With me,
My bonnie, my hottie
To get you out of my mind I party

But it just makes it worst, It's like I'm love cursed
You're my addiction
You're my prescription
You're like my favorite drug
I get high off your love

Chorus #1:

If you ever loved someone (one)
Never take them for granted (never take them for granted)

If you ever loved someone (one)
Never take them for granted (never take them for granted)

Well I will always love that someone (one)
And, she was my high school sweetheart
Well I will always love that someone (one)
And, she was my high school sweetheart

Verse #3:

I swear I want you here
We was the cutest "b"
Now, I want things how they used to be
How you would smile at me
And, you knew I'd smirk
After school, I'd always walk you to work
Find \$100 bills on the way
Dam, I miss how you used to say
"A wobble bobble"
Prefer hugs not kisses
Though your lips are delicious
Dam girl I missed it
Time flew by in a blink or two
And, when people think of Leg, they think of you
When people think of you, they think of Leg
My sunshine so come brighten up my day
We had puppy love,
Though in some eyes
We had a connection,
That'll make the sunrise
Day after day I'm folding boo
Like Wedding Singer, I wanna grow old with you
(Come on ma)

Chorus #1:

If you ever loved someone (one)
Never take them for granted (never take them for granted)

granted)
If you ever loved someone (one)
Never take them for granted (never take them for
granted)

Well I will always love that someone (one)
And, she was my high school sweetheart
Well I will always love that someone (one)
And, she was my high school sweetheart
