"Boulevard Of Broken Dreams"

Visit "[Boulevard Of Broken Dreams](#)" on MotoLyrics.com

Made up of Green Day's Boulevard of Broken Dreams,
Oasis's Wonderwall, Travis' Writing to Reach You and
Eminem's Sing for the Moment.

(Green Day)

I walk a lonely road

The only one that I have ever known

Don't know where it goes

But it's home to me and I walk alone

(Oasis)

Today is gonna be the day

That they're gonna throw it back to you

(Greenday)

I walk this empty street

On the boulevard of broken dreams

Where the city sleeps

And I'm the only one and I walk alone

(Oasis & Green Day)

By now you should've somehow

Realized what you gotta do

(I walk alone, I walk alone)

I don't believe that anybody

Feels the way I do

(I walk alone, I walk alone)

about you now

(Green Day)

My shadow's the only one that walks beside me

My shallow heart's the only thing that's beating

Sometimes I wish someone out there will find me

Til then I walk alone

(Travis)

Every day I wake up and it's Sunday

Whatever's in my eye won't go away

The radio is playing all the usual

And what's a wonderwall anyway

(Oasis)

Backbeat the word is on the street

That the fire in your heart is out

I'm sure you've heard it all before

But you never really had a doubt

I don't believe that anybody

Feels the way I do

about you now

(Green Day)

I'm walking down the line

That divides me somewhere in my mind

On the borderline of the edge

And where I walk alone

(Oasis)

Today is gonna be the day

That they're gonna throw it back to you

(Green Day)

Read between the lines of what's

Fucked up and everything's alright

Check my vital signs to know I'm still alive

And I walk alone

(Oasis)

Today is gonna be the day

That they're gonna throw it back to you

(I walk alone, I walk alone)

By now you should've somehow

Realized what you gotta do

(I walk alone, I walk alone)

(Oasis)

And all the roads we have to walk are winding

And all the lights that lead us there are blinding

There are many things that I would

Like to say to you

But I don't know how

(Green Day)

I walk this empty street

On the boulevard of broken dreams

(Oasis)

Today is gonna be the day

That they're gonna throw it back to you

(Green Day)

I walk this empty street

On the boulevard of broken dreams

(Oasis)

By now you should've somehow

Realized what you gotta do

(Green Day)

Where the city sleeps

And I'm the only one and I walk alone

(Oasis)

Cos maybe

(Green Day & Oasis)

My shadow's the only one that walks beside me

(You're gonna be the one that saves me)

My shallow heart's the only thing that's beating

(You're gonna be the one that saves me)

Sometimes I wish someone out there will find me

(You're gonna be the one that saves me)

Til then I walk alone

(Eminem)

Sing with me, sing for the year

Sing for the laughter, sing for the tears

Sing with me now, just for today

Maybe tomorrow, the good Lord will take you away
