I remember when  
I remember, I remember when I lost my mind  
There was something so pleasant about that place  
Even your emotions had an echo  
In so much space

Mmmâ€¦

And when you're out there  
Without care  
Yeah, I was out of touch  
But it wasn't because I didn't know enough  
I just knew too much

Mmmâ€¦

Does that make me crazy?  
Does that make me crazy?  
Does that make me crazy?  
Possibly

And I hope that you are having the time of your life  
[Don't push me, cause I'm close to the edge]  
But think twice  
[I'm trying not to lose my head - haha ha ha]  
That's my only advice  
[It's like a jungle, sometimes it makes me wonder  
How I keep from going under]

Mmmâ€¦

Broken glass everywhere  
People pissing on the stairs, you know they just don't  
care  
I can't take the smell, I can't take the noise  
Got no money to move out, I guess I got no choice  
Rats in the front room, roaches in the back  
Junkies in the alley with a baseball bat  
I tried to get away, but I couldn't get far  
Cause the man with the tow-truck repossessed my car

Find yourself a girl, and settle down  
Live a simple life, in a quiet town  
Your friends have shown a kink in the single life  
You've had too much to think, now you need a wife

Steady, as she goes  
(Steady, as she goes)  
So steady, as she goes  
(Steady, as she goes)  
Well, here we go again  
You found yourself a friend  
That knows you well  
[Don't push me cause I'm close to the edge]  
But no matter what you do  
You always feel as though you tripped and fell  
[I'm trying not to lose my head]  
So steady, as she goes

Don't push me, cause I'm close to the edge  
I'm trying not to lose my head - haha ha ha  
It's like a jungle, sometimes it makes me wonder  
How I keep from going under - haha ha ha  
It's like a jungle, sometimes it makes me wonder  
How I keep from going under

Maybe I'm crazy  
[It's like a jungle, sometimes it makes me wonder  
How I keep from going under]  
Maybe you're crazy  
Maybe we're crazy  
[It's like a jungle, sometimes it makes me wonder  
How I keep from going under]  
Probably

So steady, as she goes  
(Steady, as she goes)  
Steady, as she goes  
(Steady, as she goes)  
Steady, as she goes  
(And settle down)  
Steady, as she goes  
(And settle down)  
Steady, as she goes

Mmmâ€¦
