Stealthy maneuvers in the dark
Silver wings flash in the night
Skull stares with a sardonic grin
Crossed daggers instilling fear

Killzone
Death squad
Killzone
Killer assault

Killer assault

Elite squad of the chosen few
Assassination mission unfolds
Eliminating those who oppose
In premeditated assault

Killzone
Killer assault

Nocturnal raids, shotgun blasts
Car bomb and silencers
Bullet riddled bodies
Are left to rot in the night

Warriors of the shadow realm
Sanctioned by a hidden hand
Meticulous executioners
Of illicit special ops
Beheading the antagonist
It all happened before
Terror against terror
In a nebulous war

Killzone

Nocturnal raids, shotgun blasts
Car bomb and silencers
Bullet riddled bodies
Are left to rot in the night
