Bloodstained
Altar of the ancient evil
Long
Forgotten by mankind
Cults
Chanting incantations
Praying
For the master to rise

lashubniggurath
Black goat of the sabbath
lashubniggurath
Come to this sabbath night

Black
Goat of the sabbath
Horns
Hooves and a thousand young
Opening
The gate, winds of darkness
Celebration
Of forbidden rites

lashubniggurath
Black goat of the sabbath
lashubniggurath
Come to this sabbath night

Witches boil their witches brew
Hag and whore and wanton lust
Warlocks chant in ecstasy
The horns of sin they thrust
Bodies entangle to fornicate
The goat of the sabbath cries
Slithering, writhing with desire
Endless orgies, endless night

Witches boil their witches brew
Hag and whore and wanton lust
Warlocks chant in ecstasy
The horns of sin they thrust

Bodies entangle to fornicate
The goat of the sabbath cries
Slithering, writhing with desire
Endless orgies, endless night

Feverish
Entrance of this astral eve
Moaning
Screaming mating entities
Left hand
Sinner born in black
Nocturnal
Hellmass of lust and death

lashubniggurath
Black goat of the sabbath
lashubniggurath
Come to this sabbath night

Black
Goat of the sabbath
Horns
Hooves and a thousand young
Cults
Chanting incantations
Praying
For the master to rise
