Black order of the silver skull and bones - Knighthood
of a nordic denomination
Emerging from a land drowning in chaos - Feeding the
delusions of a crumbled nation

Messianic prophecies of a pagan rebirth - Unleashing
war through imperial revelation
Invoking runes and ancestral memories - Soaked in the
blood of racial extermination

Death's head march - Legion of death
Crooked cross - Skull and bones
Death's head march - Trampling bones
March into terror - Atrocities

Defiant esoteric order of the black sun
Seeking to instill the new pagan creed
Through merciless terror and total annihilation
Determined to wipe out abraham's seed

Death's head march - Legion of death
March into terror - Skull and bones
Death's head march - Trampling bones
Trampling boots - Mass cremation

Death's head march - Legion of death
Death's head march - Legion of death
Death's head march - Legion of death

Determined executioners of a bio-religion
Medieval chivalry distored into cruelty
Aryan knights of the bloody grail condemned
To suffer their defeat by sworn enemies

Furious fighting - at all fronts - loyalty and honour - till
death
Death's head curse - Millions of corpses - sanctioned -
incineration
Submissive decree - terror spree - racial holocaust -
death camp horrors
