Sorcery out of slavery reborn
Memories revived on distant shores
Invocation of the necromantic lord
Calling for a blessing
From the realm of the dead
Voodoo drums beat
And chanting in the night
The body starts to twist
As the loa comes inside
Ritual dislocation of the human mind
Living vessel for the gods to ride

Divine possession
Body in trance
The death's lord blessing
Reaper's dance

Baron Samedi
Guardian of the graves
Lord of the cross roads
Grant me a soul to take

The Bokor conjuring
In a graveyard rite
The loa of the dead
The baron's skull smiles

Divine possession
Body in trance
The death's lord blessing
Reaper's dance

Baron Samedi
Guardian of the graves
Lord of the cross roads
Grant me a soul to take

Phallic and disruptive
Tobacco and rum
The lord of resurrection
Maletic poison curse

The death spirit
Ti bon ange
Astral zombie

Sorcery out of slavery reborn
Memories revived on distant shores
Invocation of the necromantic lord
Calling for a blessing
From the realm of the dead
Voodoo drums beat
And chanting in the night
The body starts to twist
As the loa comes inside
Baron cemetery nods
And your soul I will take
The astral zombie curse
Stuck in a living grave
