Night side perspective  
Hidden during the day  
When darkness has set in  
The time has come to prey

Prowling in the night  
Culling is the game  
The cards have been dealt  
In this lethal game

Eternal cosmic cycle  
Of endless death and birth  
Neverending stream of corpses  
Consumed by this earth

The wheel of time turns  
Existence does not matter  
Only death can show  
Necrosophic rapture

Equal in death  
Culling is the game

Death is just transition  
Submit to your fate

Covered in the ashes  
Of the cremated dead  
Drinking from the skull  
Collected from the grave

Meditate upon  
The act of violent death  
My nocturnal calling  
Is the sadean lust for life

Beggar or prince  
Kill without distinction  
Murder sanctified  
Deadly absolution

Do not pledge for mercy

Your cries are in vain  
Senseless life ends  
Deliverance from pain
