Blasphemer  
Irreverent  
Heretic

Epitomizing lust and death - Transcend(ing) the realms  
of proscribed limitations  
Live a life of sacrilege - tasting the forbidden  
Fruits in endless fornication  
Carnal antinomian - Eternally aliged to the path of the  
opposer  
Son of the Jackal born - Lycanthropic desecrator  
Rides the cosmic waves

Blasphemer  
Irreverent  
Heretic  
Forever live in sin! Deliver us to Evil!

Jackal blood... beast and god... lycanthrope  
Devil's mark... I wear the sign of the Jackal  
Jackal blood... beast and god... misanthrope  
Abyss born... I am the son of the Jackal

Enter the mouth of the snake  
Let the current run through your veins  
Into entheogenic trace  
Feel the burning kiss of the flame

Jackal blood... beast and god... lycanthrope  
Devil's mark... I wear the sign of the Jackal  
Jackal blood... beast and god... misanthrope  
Abyss born... I am the son of the Jackal

Archaic atavistic surge

Inner beast now laid bare  
To ravage all your gods  
In the iconoclastic storm

Comes fire  
Comes flame  
Comes light

Comes darkness  
Comes dispersion  
Comes death  
(On the) deadly wings of Azazel  
Comes rapture  
Comes power  
Comes bliss  
Comes chaos  
Comes terror  
Comes death  
(On the) deadly wings of Azazel!

Archaic atavistic surge  
Inner beast now laid bare  
I ravage all your gods  
In the iconoclastic storm

Jackal blood... beast and god... lycanthrope  
Devil's mark... I wear the sign of the Jackal  
Jackal blood... beast and god... misanthrope  
Abyss born... I am the son of the Jackal

Blasphemer  
Heretic  
I have come  
Forever live in sin! Deliver us to evil!

Mark of chain  
Cursed name  
Soaked in blood  
Forever live in sin! Deliver us to evil!
