I can't give you more than what I've got  
I can't expect to give what I have not  
I-I-I can only give ya lovin' 'till the sun goes down  
And, until the leaves of summer turn to shades of  
brown  
I try and I try  
But baby, you know that I  
Can only give you evra'thing  
I can't argue with you to understand  
'Cause afterall, I am just a man  
You are on my mind  
When stars appear and shadows fall  
And when ev'ra little flower close  
And no birds call  
I try and I try  
But baby, you know that I  
Can only give you evra'thing  
I can't argue with you to understand  
'Cause afterall, I am just a man  
You are on my mind  
When stars appear and shadows fall  
And when ev'ra little flower close  
And no birds call  
I try and I try  
But baby, you know that I  
Can only give you evra'thing  
Evra'thing, baby  
A little bit of this, a little bit of that  
And evra'thing  
Ooh, ooh, ooh  
Ooh, ooh, ooh  
Whoa, ooh, ooh  
Whoa, ooh, ooh  
Yeah, yeah, yeah
