I told myself when you smiled at me,  
This time its gonna be forever,  
I didn't know you would hurt me so;  
But from the very start  
You are the one who would break my heart

(A'Coz) I was looking for someone to love,  
And, oh, the heartaches I found;  
I was looking for someone to love,

But you were just looking around.

You led me on pretendin' you could care,  
Promisin' the love we'd share together;  
I've closed the door, I cant take it anymore,  
Love will never be the same  
You turned it around, and you made it a game.
