Yeah, I should have known it from the very start
This girl would leave me with a broken heart
Now listen people what I'm tellin' you
I keep away from a runaround Sue

I miss her lips and the smile on her face
The touch of her hand and that girl's warm embrace
So if you don't wanna cry like I do
I keep away from a runaround Sue

She likes to travel around
She'll love ya and she'll put you down
Now people let me set you wise
Sue goes out with other guys

Here's the moral of the story from the guy who knows
I fell in love and my love still grows
Ask any fool that she ever knew
They'll say, I keep away from a runaround Sue

She likes to travel around
She'll love ya and she'll put you down
Now people let me set you wise
Sue goes out with other guys

Here's the moral of the story from the guy who knows
I fell in love and my love still grows
Ask any fool that she ever knew
He'll say keep away from a runaround Sue
