"Yes You Have"

Every tree and and every stone
Every rushing wind that moans
They sing Your praise
My God, I'll sing Your praise.

Every star and open sky
Tell of Your glory divine
They shout Your praise
They shout Your praise, yeah

You've stolen my heart
Yes You have
You've stolen my heart
Yes You have
You've wiped away the stains
And broke away the chains
Yes You have

With Your love You set me free
Three nails gave me liberty
So I'll sing Your praise
My God I'll sing Your praise
Oh, with Your love You forgave my sin
Forgot my past and brought my back again
So I'll sing Your praise
I'll sing Your praise, yeah

You've stolen my heart
Yes You have
You've stolen my heart
Yes You have
You've wiped away the stains
And broke away the chains
Yes You have

BRIDGE

If I ascend into the sky, or hide behind the night
I cannot run Your love is chasing me
If I fall into the sea, Your hand will rescue me
No one will take Your place
Because

This is all for You, yes
This is all for You
You're the King of the world
You're the King of the world
You're the King of the world
You're the King of the world
You're the King of the world
You're the King of the world

You've stolen my heart
Yes You have
You've stolen my heart
Yes You have
You've wiped away the stains
And broke away the chains
Yes You have

You've stolen my heart
Yes You have
You've stolen my heart
Yes You have
You've wiped away the stains
And broke away the chains
Yes You have.
