If you ask me to come, I'll say, "go"
If you say you love me, I'll say, "Sure, if you say so"
Whatever you tell me, I won't believe you
And if you try, try to make me

Ooh, I would like to know
Which one is willing to lose?

All along the wall, between us
I see a teacher, there for us
I look at the wall, I see right through it
I lean on the wall, there for us

[Ooh, lalalala]

There is a door, where I am standing
Without a key, without a clue...
Without you, I am wondering
Wondering, about you

It's a cold cold night, are you gonna call me?
Tell me about...
How I go on and on...
About you
Being like it used to be.
How it's all...
About me.
Ooh, I would like to know
Who, is the wounded one?
Which one will make the move?
Which one is willing to lose?

All along the wall, between us
I see a teacher, there for us
I look at the wall, I see right through it
I lean on the wall, there for us

You're my heaven underground
And my feet the only sound
You're the shadow in my mind
I am hollow all the time

All along the wall, between us
I see a teacher there for us
I look at the wall, I see right through it
I lean on the wall, between us
I see a teacher, there for us
I look at the wall, I see right through it
I lean on the wall, there for us.

[Ooh, ooh, ooh, ooh, ooh, ooh...]
