Ben, the two of us need look no more
We both found what we were looking for
With a friend to call my own
I'll never be alone
And you my friend will see
You've got a friend in me

Ben, you're always running here and there
You feel that you're not wanted anywhere
If you ever look behind
And all life will you find
Theres something you should know
You've got a place to go

I used to say
I and me
Now it's us
Now it's me

I used to say
I and me
Now it's us
Now it's me

Ben, most people would turn you away
I don't listen to a word they say
They don't see you as i do
I wish they would try to

I'm sure they'd think again, if they had a friend like Ben
Like Ben
