

## Leigh Nash "Charmed Life"

Visit "[Charmed Life](#)" on MotoLyrics.com

It's a charmed life  
Innocence wild  
Crayola skies for a thousand miles  
It's a good life in the happily ever after  
Last page of a very last chapter  
It's the story of a charmed life

It's a charmed life  
Unexplainable grace  
Stumbling, you fall right into place  
It's a childlike world and you can feel the magic  
Far from the typically tragic  
That's the beauty of a charmed life

{Chorus}  
Who needs to know  
When it all comes and where it all goes  
Who needs to know just where  
Fate will take you there

It's a charmed life  
Innocence wild  
Crayola skies for a thousand miles  
It's a good life in the happily ever after

Na na na...  
Na na na...

{Chorus}  
Who needs to know  
When it all comes and where it all goes  
Who needs to know just where  
I know you'll be there (I know you'll be there)

It's a charmed life  
Innocence wild  
Crayola skies for a thousand miles  
It's a good life for the happily ever after  
Last page of a very last chapter  
It's the story of a charmed life

Na na na...

(It's the story of a charmed life)

Na na na...

(It's the story of a charmed life)

Na na na...

(It's the story of a charmed life)

Na na na...

(It's the beauty of a charmed life)

Na na na...

Na na na...
