I love the air that I am breathing
There's something peaceful about believing
That it's a gift just to be here now, to know
Laugh, and breathe here now

I long to see you smile, I'll show you how to laugh again
Show me how to laugh again
I've gotta see that smile, I know that we can find a way
To make this world a finer place today

And I feel just like the sunflower
As she whiles away her happy hours
I want to bow to feel the sunshine
On, my, shoulders

I long to see you smile, I'll show you how to laugh again
Show me how to laugh again
I've gotta see that smile, I know that we can find a way
To make this world a finer place today, ooh, ooh, ooh

I love the air that I am breathing
There's something peaceful about believing

I long to see you smile, I'll show you how to laugh again
Show me how to laugh again
I've gotta see that smile, I know that we can find a way
To make this world a finer place today, ooh, ooh, ooh

Today, ooh, ooh, ooh
